## Front-End Web Developer

Creative solutions Front-End Web developer, I love what I do and am good at it, I am creating attractive and responsive website designs for a more interesting and flexible user experience.

### Core Proficiencies

HTML	CSS	SASS	JavaScript
Typescript	React JS	Redux toolkit	Node JS & Express

### Experience

Projects that I developed:

#### My Reads App

##### Overview

This project is a bookshelf app that allows you to select and categorize books you have read, are currently reading, or want to read.

##### Built-with

React & React Router

Live: <https://myreads.bayoumi.dev>

<https://github.com/Bayoumi-dev/my-reads-app>

#### Would you rather App

##### Overview

In the "Would You Rather?" Project, A web app that lets a user play the "Would You Rather?" game. The game goes like this: A user is asked a question in the form: "Would you rather [option A] or [option B]?". Answering "neither" or "both" is against the rules.

##### Built-with

React & Redux Toolkit, React Router, Semantic UI

# Evaluate a News Article with Natural Language Processing

## Overview

This project aims to build a web tool that allows users to run Natural Language Processing (NLP) on articles or blogs found on other websites. When a user submits a URL of an article, the web page then displays sentiment analysis returned from Meaningcloud API, based on the contents of the article.

## Built-with

HTML & SCSS, JS, Node JS & Express, CORS, Node Fetch, Dotenv, Webpack, Jest

 <https://github.com/Bayoumi-dev/evaluate-news-article>

## Education

- Front-End Web Developer Nanodegree, Udacity May. 2021 – Apr. 2022
- Bachelor's degree, Management Information System, Helwan University Set. 2015 – May. 2019
- Final year graduation degree: 93%      - GPA: 86.5%

## Certifications

- **React Development Cross-Skilling** | Udacity Issued Apr 2022  
Certification Link: <https://confirm.udacity.com/7LTJQRAY>
- **Advanced Front-End Web Development** | Udacity Issued Jan 2022  
Certification Link: <https://confirm.udacity.com/3QNNDDKD>
- **Professional Front-End Web Development** | Udacity Issued Aug 2021  
Certification Link: <https://confirm.udacity.com/WSNUJAXP>
- **Web Development Foundations** | Udacity Issued May 2021  
Certification Link: <https://confirm.udacity.com/ZGQUHNNE>

## Summary (Certifications)

### Topics Covered:

Create and style web components	Work with Node and Express to develop a web app
